

Mr. W. H. Deardorff
1821 Conway Pl.
Los Angeles, Calif.

Dear Mr. Deardorff;

I am awfully glad to hear from you. My bro. Hiroshima wrote me before & said you were going to handle their house belonging & ship them down to Utah so I thought if you are going to open the house up at Hiroshima's, I thought I'll have my machine down here. I have my sewing machine in my bro. house. So when you open the house up I thought if isn't too troublesome I like to have it here so I asked you about it. Or wasn't it you they asked ~~to~~ send everything to Utah?

I don't want to open the door for

only that purpose. Because that
door don't have any key. So if you
are handling things for my bro. &
when you send them please send
me the sewing machine as C. & D.
in railway express. It is all packed
thas ~~has~~^{your} name on. Its size packed
is around $3\frac{1}{2} \times 20 \times 24$ ~~box~~ ~~carton~~. My
husband packed in old lumber I think
Will I don't think there is any other
object that size either. in our name.
So if it isn't too troublesome please
send it down for me.

And I am very thankful for all
the trouble you are going through to
send tractors down too. I am awfully
glad you are very thoughtful in
everything. I hope it isn't too
troublesome.

We are having awful dust wind for
almost two weeks. My husband had a
classification 1A too. Will be knowing
pretty soon whether he'll go or not.

Hope to hear from you soon

Sincerely yours
Mrs. Geo. Washington
